

DRAFT HORSE CLASSIC SALE AND FUTURITY

INFORMATION & GUIDELINES

NAERIC DRAFT HORSE CLASSIC

Statement of Purpose

- 1) Promote quality draft horses that are well conformed and will hitch/harness/drive well, have the capability to work and will look good when engaged in these activities.
- 2) Create an incentive to develop and train all horses in a humane manner, protecting at all times their physical and mental potential.
- 3) Promote resistance-free training methods resulting in a more efficient horse and to establish a greater market for good draft horses.
- 4) Provide an event that is enjoyable to spectators.
- 5) Provide an event that is beneficial to the draft horse industry.

The Concept

Members will nominate and sell their registered and/or non-registered yearling(s) with fifty (50) percent of the selling price going to the breeder of record (owner of the mare at the time of foaling); thirty-five (35) percent of the selling price going to the futurity purse; five (5) percent of the selling price going to a Breeders' Award Program; and ten (10) percent of the selling price going to operating/administrative expenses.

Horses, sold as yearlings, will return after training to compete in an event that will demonstrate their quality, conformation and performance using as a standard an acceptable level of suitability for purpose as determined by the competition judge(s).

Membership Committee

MEMBERSHIP IS OPEN TO ALL DRAFT HORSE BREEDERS. In order to participate, breeders must be members of the NAERIC DRAFT HORSE CLASSIC Committee. There is a one-time, initial membership^{1,2} fee of \$250.00.

In addition to the initial membership fee, there will be an annual renewal fee of fifty (50) dollars; payable beginning in the next calendar year after the initial membership fee has been paid, but in no case after June 30th of that year.

Each membership carries with it one (1) seat, a single voting right, on the NAERIC DRAFT HORSE CLASSIC Committee.

1 Membership will lapse if a member fails to sell a weanling for two (2) consecutive years. Membership reinstatement is possible, but the above indicated fee structure will be imposed.

2 The \$250.00 membership rate will be offered to all people that are at least 21 years of age.

Program Rules

- 1) Each member will be limited to a total of two (2) yearling nominations each year.
- 2) Immediate family members that are materially participating (500 hours per year; average 10 hours per week) in the farm/ranch/program, or have the same farm/ranch/program prefix and are listed as the “breeder of record” are allowed to fall under one membership.
- 3) For all yearlings going through the sale ring, fifty (50) percent of the final bid price, minimum \$1,000.00, will be paid to the NAERIC DRAFT HORSE CLASSIC Sale and Futurity.
- 4) To qualify for the three-year-old futurity, all horses must have gone through the NAERIC DRAFT HORSE CLASSIC sale ring. All horses, prior to entering the sale ring, must be micro-chipped (electronically identified) through a committee-approved process.
- 5) Every person to nominate a yearling to the sale must be a NAERIC DRAFT HORSE CLASSIC Committee member AND the breeder of record (based on the breed registry definition) on that weanling’s registration certificate. Non-registered horses must follow the same rules as non-registered NAERIC Advantage horses. Horses changing ownership after the Sale but before the Futurity, retain their eligibility for the Futurity, if and only if, the Committee has been notified by said horse’s current owner. To avoid a late fee, the notification must be made to the Committee by June 30. All moneys will go to the current owner of the entry.
- 6) The Draft Horse Classic Committee reserves the right to refuse any entry not fit or ready for the sale or futurity.
- 7) Members may nominate their weanlings/yearlings to the sale up to December 1 of each year. If space is limited by stall availability, first-come-first-served, based on postmark date will apply.
- 8) All dates of compliance will be based on postmark date.
- 9) All fees and payouts are based on Canadian denomination.
- 10) All horses must have a current negative Coggins Test.
- 11) Any dispute/complaint must be submitted in writing to the Committee chair, within 24 hours of the alleged infraction, with a fee of \$250.00 cash. The dispute/complaint will be heard at the next regular meeting of the Committee. If the Committee votes to dismiss the dispute/complaint, the fee will be forfeited. If the Committee upholds the dispute/complaint, the fee will be returned.
- 12) The Executive Committee has the power to authorize adequate numbers for the sale.
