2018 still going strong

In 2008 a group of ranchers had a vision to put on a barrel racing prospect sale with the intention of these foals coming back as 5 year olds to compete for a \$9,000 purse.

Our first futurity run was in the fall of 2013 and a success.

With so much enthusiasm we decided why not have a stake race for all the horses that went through our sales that had reached 6 years and older. We added \$1,000.00 to sweetin the purse. Our 1st stake race was held in 2014 and our barrel racers loved it. When 2016 rolled around the idea was brought to us why not hold an open jackpot cap it at 100 entries add a \$1000.00 to the purse with prizes as well. We had so much fun that we did it again in 2017 and we are offering it once again in 2018.

2018 marks our

11th NAERIC BARRELS OF CASH PROSPECT SALE 6th futurity run 5th stake race 3rd open jackpot.

Also in 2017 a new incentive was added Ropin For \$\$\$—Any foals that are sold through the NAERIC Barrels of Cash sale are eligible to be paid into a side pot that will be held in conjunction with the Manitoba Rope Horse Futurity. The buyer or the seller can pay an additional \$100.00 above the sale price of the foal to make the foal eligible for the Roping for \$\$\$ side pot. They must be nominated and paid in on sale day at time of purchase.

In 2017 18 foals paid into the side pot for a purse of \$1800.00.. These foals can come back in their 4 year old year to compete for this money at the Manitoba

Rope Horse Futurity.

This incentive is once again in effect for the 2018 sale.

We would like to thank everyone who has supported our event in the past and those who continue to do so in the future

Thank You
